This extension is necessary to allow counsel time to prepare and file Garcia's Reply. It is not made for the purposes of delay. This is Garcia's second request to extend his deadline.

Counsel's original extension request took into consideration her considerable travel in October, but miscalculated the amount of time counsel would have to devote to a case that had a state court evidentiary hearing planned for November 21, 2019. Unexpected developments that resulted in taking the hearing off the calendar took the majority of counsel's time in November. Additionally, counsel was out of town November 27-30, 2019 for Thanksgiving.

On December 8-9, 2019, counsel exchanged e-mails with Deputy Attorney General Jessica Perlick regarding this extension request. She has no objection.

For the reasons stated above, Garcia respectfully asks this Court to grant the requested extension until January 8, 2019.

1 Dated December 9, 2019.
